LARGE SPECIAL EVENT
APPLICATION PACKET
DEFINITION OF A SPECIAL EVENT/LARGE
Any temporary/ongoing activity that occurs on public (or possibly private) property that affects the ordinary use of parks, public streets, right-of-ways, sidewalks, traffic, etc. and/or generates considerable public participation.

A special event/large is defined as meeting all of the following criteria:

- Events expecting more than 100 people gathering in a park or other public place
- Events expecting to have a substantial impact on such park or other public place
- Events that will be charging an entry fee, using sponsors or will rent booths
- Events held on public streets, sidewalks, walkways or other areas that interfere with regular vehicular or pedestrian traffic or require the use of City Services
- Filming or photo shoots that require closed sets or have a crew of more than 5 people

The application/permit process ensures that the activity meets legal requirements, allows the City to adequately schedule needed public services, alerts the affected neighborhoods and businesses, and recoups costs incurred during the event.

GENERAL PROCEDURES STATEMENT
Special events that occur in Mukilteo impact the citizens of specific neighborhoods as well as adjacent neighborhoods and businesses. Many Mukilteo residents participate in these events but many do not. These events are allowed because of the willingness of neighborhoods and businesses to cooperate; however, the City of Mukilteo has set up a number of guidelines that restrict the use of certain venues in order to protect the livability of all residents.

The City of Mukilteo has established procedures that allow for advance planning and management of personnel, financial resources and public property and roadways under its control. These procedures provide a system, common information, and basic ground rules, which allow the City and special event producers to achieve their mutual goals.

REVIEW / EVALUATION CRITERIA
The Special Event Committee will review all requests and make a decision to permit the event based on the following criteria:

- Sponsorship (priority given to City of Mukilteo sponsorship)
- Event has local ties and/or interest
- Priority of non-profit events over ‘commercial’ for profit events
- Avoid duplication of events
- Number of events in a specific neighborhood
- Overall impact on street access and closures
- Consideration of day and date of event that might conflict with other activities (i.e. another special event, road work or construction project)
- Availability of support staff and city resources
- References
- History of an event
- Acceptance of other affected agencies

PARK RULES
Listed below is a brief list of most asked about park rules. Please see attached complete list of park rules by site, ‘Exhibit C’. Other rules may apply to your event. This will be determined during the permitting process.

Documentation must be received no later than 2 weeks prior to the event.

This communication should be completed 4 weeks prior to the event.

AMERICAN WITH DISABILITIES ACT (ADA) REQUIREMENTS
The City of Mukilteo is committed to providing programs and services accessible to individuals with disabilities. Applicants are expected to make every effort to follow ADA guidelines and provide and maintain access for people with disabilities. This may include providing a clear path of travel to and on sidewalks, curb cuts and restrooms; maintaining already designated parking and accessibility to restrooms for people with disabilities.
RESTROOM FACILITIES
Depending on the length of your event and location you may be required to provide portable restroom facilities. Adequate and accessible restroom facilities are often limited or not available at special event sites including park and recreation facilities. The recommendation for provision of toilets is one restroom for each sex for every 200 persons. The International Portable Sanitation Association provided a chart below as a rough guideline for estimating the number of portable sanitation units that will be required for special events.
