Prohibited Signs  (MMC 17.80.050)

Abandoned Signs

Animated and moving signs

Balloons, any inflatable signs and inflatable objects

Beacons and searchlights

Billboards

Flags larger than 20 square feet, except for national and political subdivision flags

Human signs in the right-of-way (people holding a sign or dressed in a costume) except for human political signs. Human signs are allowed on private property and count as a portable sign.

Obscene signs

Portable readerboard signs

Roof signs

Signs placed on a fence, utility pole traffic sign, light pole, control stations, trees or natural feature

Streamers, pennants, banners, festoon flags, pennants, ribbons, strings of lights, chasing or strobe lights, flares, bubble machines, and similar devices visible from any off-site location

Traffic hazards Any sign that constitutes a traffic hazard or detriment to traffic safety by obstructing the vision of drivers, distracting from the visibility of any official traffic control device or by diverting or tending to divert the attention of drivers or moving vehicles from traffic movements on streets, roads, intersections or access facilities.

Unauthorized Traffic Control Any sign or sign structure that by shape, color, working movement or location resembles traffic control signs or devices.

Vehicle Signs Signs greater then 5 square feet in area on a vehicle or trailer visible from a public right-of-way, when the vehicle or trailer is parked for the purpose of displaying the sign
