Vehicle Signs
MMC 17.80.050(R)

- Signs on vehicles and trailers are prohibited if visible from a public right-of-way if they are more than 5 square feet in area (the area being the area of the smallest rectangle that can be drawn around all of the sign’s text on one side of a vehicle or trailer).

- Exceptions to the above:
  - If sign is on a government vehicle, franchised bus or taxi; or
  - Vehicle or trailer is being temporarily loaded or unloaded; or
  - Vehicle or trailer is operating (being driven) during normal course of business; or

- Parked vehicles or trailers with signs more than 5 square feet are allowed if all of the following conditions are met:
  - They are parked within 100 feet of the building occupied by the business related to the sign; and
  - They are not parked more than 24 hours in the same location; and
  - They are validly licensed and/or registered under the laws of the State of Washington; and
  - They are operational; and
  - The business to which the sign relates has an active/valid City of Mukilteo business license.
